

THE CRAB SHACK

July 2022

Hi Crab friends,

For the last few weeks we have only been able to offer a reduced menu and our happy hour specials. This change in service is from the on going Covid related challenges in hospo, particularly the nationwide issue of staffing shortages. Not being able to offer you our full “Crabby” experience has been difficult and we are so grateful for your kind messages and understanding.

Unfortunately these challenges are still ongoing, so we have made the hard decision to close The Crab Shack for the foreseeable future. This means all future bookings are closed and our shucking wonderful team have been offered new job opportunities within our parent group.

If you're headed to the capital, our twin Crab Shack in Wellington remains open and is serving seafood by the bucket load!

As we scuttle away, be safe Crab friends, and keep the shell-celebrations rolling!

Love, team Crab Shack Auckland. *
